Building an Educational Legacy

The R.R. Smith Memorial Fund Foundation established an endowment at six public universities in B.C. granting either education degrees or offering professional teacher-training programs at:

- ▶ University of British Columbia
- ▶ Thompson Rivers University
- ▶ Simon Fraser University
- ▶ Vancouver Island University
- ▶ University of Victoria
- ▶ University of Northern British Columbia

Funds to establish these bursaries were donated to the R. R. Smith Memorial Fund Foundation by the BCTF. The donation was in lieu of a fine to the court as a result of the 2006 BCTF teachers' strike.

R. R. Smith Bursaries in Education are awarded annually. Students may apply directly through the university they attend.
